

# 2018 Camp Mont Shenandoah Riding Form

**D**ear Parents: We place girls in riding levels based on their skill and experience. We need your help in providing us with accurate information so that your daughter is in a level commensurate with her horseback riding ability, even if she's ridden with us before. The more information you provide, the better!

- ⇒ For your child's safety and comfort, we require that all riders wear long pants (breeches, jodhpurs or jeans), riding or paddock boots or a hard soled shoe with a heel (such as a hiking boot) and an SEI-ATSM approved helmet designed specifically for horseback riding. We do have helmets available for campers to borrow.
- ⇒ We do limit our class sizes allowing each girl ample instruction time. Therefore, we accept riders on a first come, first served basis.
- ⇒ This form and the riding tuition are due by **March 1, 2018** unless the camper has registered after this date. In such cases, the form and payment are due within one month of registering.
- ⇒ If there are any medical conditions or physical disabilities that may affect your daughter's riding experience, please provide a written description of the condition/disability.
